Dear Phillip,

On behalf of Lift Career Resource Center (LCRC), thank you for your donation of \$40.00 in support of youth who are aging out of the foster care system. Your official tax receipt is at the bottom of this correspondence. Each donation will greatly assist LCRC in providing foster youth with career, educational, and mentorship services.

Last year LCRC provided services to over 100 foster youth in Life Skills Training Sessions. Many foster youth, who are aging out of the system, are not prepared to meet the challenges that occur as they transition to adulthood. Additionally, many have never had a consistent, stable adult in their lives or someone that showed them how to do basic things such as: how to cook, how to apply for a job, or how to manage their finances. Lift Career Resource Center's goal is to help bridge the gap as they move to independence and self sufficiency. LCRC has provided workshops this year on topics such as: How to Obtain a Job, Easy Meal Prep Tips, Housekeeping Tips, Financial Planning, and How to Get Into College. We have received feedback from the foster youth attending the workshops on how LCRC's programs are making a positive impact in their lives.

Again, thank you for your donation. Please visit www.liftcrc.org to keep informed on services provided to foster youth and upcoming events. May God continue to bless you and your family in the new year and always!!

Sincerely,

Howard G. Love
Chair
